are not as open as they ought to be. But if we maintain an ascendance to the nudging of the Spirit of God, if our eyes are open to see that we shall cease to strive in that realm any more. We would be quiet and will be done. If our eyes have been opened we will know that it is not but of experiencing the work of the Holy Spirit of Truth. For He is His will. Beloved, God is revealing Himself to a people in this hour of vision of His purposes, and His Holy City, the New Jerusalem.

The thought in Exodus 24 conveys that there was an invitation for them as they went up and they saw." It begins with a personal invitation to the present world. The religious world with all its husks and dungy routines, activities and personal interests must be put aside. Our lives may seem to be good and profitable to us and we may be caught up in them but we are to leave these and come up to the mount of God!

In Revelation 4, the Lord told John to come up. When John saw the churches in his time, he was greatly discouraged. These churches beginning had lost their focus and purpose of their calling. **The Lord found them wanting!** They moved away from God's original, in His counsel was to repent or else He would remove them from the earth. In the midst of such decline and deterioration, John still heard the Lord say "Come up" to meet Him. We are living in similar times. The churches have lost their focus and initial purpose of God. **John experienced an open door of heaven and the Lord who sat upon the throne. This is our need today!** Oh, if only we could hear the invitation to come up! Saints we need to hear Him and we need to come up to Him in these terrible times of apostasy and decline. Our need is to behold Him. If we look around, we will be discouraged and will be led away around us. Saints, we need to experience something real and eternal that will bring us in touch with His divine presence. God's people need to maintain their upward trend and maintain a spiritual ascendancy in our lives. The invitation to Moses and others to go up to the **mount wa**
