THE LORD KNOWETH THE WAY

The Lord would like to say to His bridal company in this hour, that Christians who do not know God's ways are often perplexed and are undergoing trials, they do not find it easy and comfortable. They are faced with problems, because they do not know the ways of God in the way the righteous should take; He is able to lead us by the Spirit unto the Egyptians, and how I bare you on eagles' wings, and (Exodus 19:4)

The Lord says that in bringing out His people from Egypt He carried that is the way God took His people out of bondage from the land. He is able to provide us the means and the strength, to take us into salvation. 'Eagles' wings' refers to the miraculous way by which God can bring us out of every bondage. The Pharaoh (dark forces and evil) kept the people in bondage; but the more the people were afflicted (Exodus 1: 7, 20). The apostle Paul tells us that though sin and death hold us in bondage, God is able to deliver us into freedom by the grace that comes to us through the Lord Jesus Christ. We may face many problems and situations that are perplexed; but the Lord knows the way that we should take in every situation. We depend upon the Spirit to lead us and show us the way. Many of us are led by our own desires; we see only that which we want to see.

"But he knoweth the way that I take: when he hath tried me, I shall come forth as gold." **Job 23: 10**

The Israelites viewed the journey through the wilderness in ways that

to the ways in which God sees. The journey from the Red Sea to the eyes of the Lord; for He had borne the Israelites upon 'eagles' saw the travel from Egypt. The people saw the journey in a to found it to be difficult and full of problematic situations. To haste from Egypt; they had to take their things in a hurry. Then chariots of Pharaoh following them. They were caught in a trap one hand, and the armies of Pharaoh on the other hand. Before waters of the Red Sea, and behind them were the sounds of our army. The travel according to them was very rough indeed. But to them on 'eagles wings'. That is the Lord's expression; but as far concerned, it was a difficult travel. There were numerous trials of they complained; they wished they had stayed back in Egypt. This and the desires of their soulish natures. By the time they came to many trials. It was a grievous journey for the people; but the Lord light. Beloved, let this teach us to know that **the Lord takes us to us to Himself.**

God's way is to take us through a way of trial and problems so that ways more and more. The Word tells us that when we are tried gold, because He is with us on our journey to meet the Bridegroom our Lord and Saviour Jesus Christ. We have no other way to reach burdens and heartaches in our lives.

When we consider the trials that we face, we consider them according to God that we possess. We face difficulties according to all that we Lord during previous encounters. **We can only respond to situations knowledge of the Lord and His ways.** In this rough and hard way go along with the Lord. Then we shall find it easy and less burden knowledge can take us safely through the wilderness. When He comes shall surely find the going easy; we shall definitely reach our destination.

"And the ransomed of the Lord shall return, and come to Zion with joy upon their heads: they shall obtain joy and gladness, and sorrow shall be forgotten."
Isaiah 35: 10

This way through which the Lord takes us, is the way of holiness: wilderness, but yet the same is the highway of holiness. The Lord is any other. God has chosen a path for His people, for He knows what

"And an highway shall be there, and a way, and it shall be called the way of holiness: the unclean shall not pass over it; but it shall be for those: the wayfaring shall not err therein".

"No lion shall be there, nor any ravenous beast shall go up there, but the redeemed shall walk there:" **Isaiah 35: 8, 9**

In our lives we have a certain knowledge of God. But there is a kind of 'different' knowledge. *"I have heard of thee by the hearing of the ear, but I have seen thee by the eyes, and have touched thee, and I have known that thou art the Lord."* (Job 42:5). Job had heard of the ways of God by the hearing of his natural senses. The knowledge we acquire by hearing the word of God is experiential knowledge of God that is acquired over the years through Christ, is yet another thing. Job had a certain knowledge by hearing through all the trials and came to have a 'different' knowledge of God. We can acquire an hearing knowledge, but that knowledge will not be able to bring us to a place of knowing Him yet more intimately and experientially. We need to acknowledge the fact that God wants to take His people through trials to know Him in a deeper and richer manner. **The way to the Kingdom of God is the way of the wilderness and the way of holiness in our lives.**

Beloved people of God, the Lord knoweth the way that we should go, but He has no vehicle to take us there. The way is a path of trials and a way of martyrdom.
